Fans have fallen in love with Liz Climo's charmingly quirky animal kingdom, which was first featured in *The Little World of Liz Climo*-a place where porcupines, anteaters, and grizzly bears all grapple with everyday life with wit and humor.

Friends: They are there when we just want to hang out, or need someone to listen. They make us laugh, and lend a shoulder to cry on. Comic artist Liz Climo captures the true spirit of friendship with this quirkily charming collection. Her animal kingdom is a place where sharks, otters, porcupines, and even crustaceans come together to show the best of what friends have to offer.

This little book will remind you to appreciate your own friendships...and inspire you to share with a special pal.
