Having learned the basic moves, how exactly should a player improve? In this popular classic, the author explains 33 complete games, in detail, move by move, including the reason for each one. Playing through these games and explanations gives real insight into the power of the pieces and how to post them most effectively.

"The novice who plays through Logical Chess can learn an ocean of basic chess wisdom."—Leonard Barden, English chess master and broadcaster

"Entertains . . . as it reinforces strategic lessons gleaned from chess titans. Illustrates effective middle-game plans."—Library Journal
