MAHABHARATA

One of the Greatest epics of all time.

It all began with petty family jealousy. The Kaurava brothers tricked their Pandava cousins out of a kingdom, and even Lord Krishna could not stop the horror and bloodshed that followed. Veda Vyasa composed an epic poem, the longest in the world, to describe the events that unfolded. In this epic tale of superhuman heroes and gory action, Veda Vyasa explores human ambitions, relationships and conflicts to find the true purpose of life.

Lord Krishna's recital of *Bhagwad Gita* to Arjuna at the battlefield of Kurukshetra forms a holy book for Hindus. Mahabharata embodies volumes of tales representative of the culture and morals of the ancient era that are applicable to this day. This is an abridged version that covers the entire Mahabharata in a single title. Also, enjoy ACK's collection of

the unabridged Mahabharata - a total of 42 titles in one set or three sets of 14 titles each.
