**Proven principles—drawn from real life failures and successes—for building and sustaining a loving, healthy relationship in today’s trying times, from celebrity life coach and motivational speaker, Tony Gaskins Jr.**

After speaking out about how weak and insecure men control women in relationships in 2009 on several globally televised shows, Tony Gaskins launched his career as a life coach and relationship counselor. Since then, Gaskins, who has been a faithful and committed husband for over a decade, has counseled thousands and inspired millions online, becoming one of America’s foremost experts on love and relationships.

Practical and accessible, and delivered in the empowering, empathetic tone his devoted following has come to love and trust, *Make It Work* walks you through a series of essential lessons on how to maintain a healthy and long-lasting relationship. Drawing inspiration from the Bible and from his own personal failures and successes, Gaskins offers a framework for how to recognize the right person to settle

down with, how to set standards that promote loving relationships—and what to avoid in a successful union.

*Make It Work* arrives as a hopeful response to a culture where breakups and divorces are all too common, and it serves as a vital resource to help your relationship thrive today.
