"Vivid and remarkably fresh...Philbrick has recast the Pilgrims for the ages."--*The New York Times Book Review*

**Finalist for the Pulitzer Prize in History**  
***New York Times Book Review* Top Ten books of the Year**

How did America begin? That simple question launches the acclaimed author of *In the Hurricane's Eye* and *Valiant Ambition* on an extraordinary journey to understand the truth behind our most sacred national myth: the voyage of the *Mayflower* and the settlement of Plymouth Colony. As Philbrick reveals in this electrifying history of the Pilgrims, the story of Plymouth Colony was a fifty-five year epic that began in peril and ended in war. New England erupted into a bloody conflict that nearly wiped out the English colonists and natives alike. These events shaped the existing communities and the country that would grow from them.
