

Download Modern Tarot free Michelle Tea (PDF, ePub, Mobi)

The beloved literary iconoclast delivers a fresh twenty-first century primer on tarot that can be used with any deck.

While tarot has gone mainstream with a diverse range of tarot decks widely available, there has been no equally mainstream guide to the tarot—one that can be applied to any deck—until now. Infused with beloved iconoclastic author Michelle Tea’s unique insight, inviting pop sensibility, and wicked humor, *Modern Tarot* is a fascinating journey through the cards that teaches how to use this tradition to connect with our higher selves.

Whether you’re a committed seeker or a digital-age skeptic—or perhaps a little of both—Tea’s essential guide opens the power of tarot to you. *Modern Tarot* doesn’t require you to believe in the supernatural or narrowly focus on the tarot as a divination tool. Tea instead provides incisive descriptions of each of the 78 cards in the tarot system—each illustrated in the charmingly offbeat style of cartoonist

Amanda Verwey—and introduces specially designed card-based rituals that can be used with any deck to guide you on a path toward radical growth and self-improvement.

Tea reveals how tarot offers moments of deep, transformative connection—an affirming, spiritual experience that is gentle, individual, and aspirational. Grounded in Tea’s twenty-five years of tarot wisdom and her abiding love of the cards, and featuring 78 black and white illustrations throughout, *Modern Tarot* is the ultimate introduction to the tradition of the tarot for millennial readers.
