What was an accidental witch to do when fate sends a sexy witch on a motorcycle, only to find out he might be there to kill her?

Zoey Mathers was adjusting to life as a witch— a real finger wiggling, magic casting, talk to spirits witch who was thrown into the middle of a war between good and evil. And now Slade, fate’s sexy twist, was asking her out on a date and talking about her part in an ancient prophecy.

It was up to Zoey to decide if she could trust Slade not to kill her. She also has to discover the reason for her particular powers. And then there’s that little thing about her possibly being the key to ending the War of the Witches. Ah, the quiet small town mountain life.

Now, if only she could only avoid losing her heart, and more importantly her life to Slade.
