

# Download Ms Project 2016 free Messias Reis (PDF, ePub, Mobi)

Este livro foi escrito durante os vários treinamentos que ministrei sobre o MS Project. Digo durante, pois cada curso realizado gerou uma lição aprendida que pretendo compartilhar com todos leitores e profissionais. Pelo fato de trabalhar há muito tempo com a ferramenta e sempre conviver com outros profissionais que também fazem dela seu apoio para alcançar os objetivos nos projetos, este livro traz uma visão totalmente voltada à prática do dia a dia, pois o que se percebe é que o tempo parece estar passando cada vez rápido, e muitas vezes não nos permitindo realizar nosso trabalho. Sendo assim, a melhor maneira é ter as ferramentas certas e saber usá-las, para que possamos aproveitar do melhor jeito possível nosso precioso e valioso tempo. O livro é indicado a todos que trabalham ou pretendem trabalhar com esta ferramenta para auxiliar em seus projetos. (Qualquer tipo de projetos), seja de engenharia, informática, criação de uma empresa, uma viagem, montagem de um escritório, enfim todo e qualquer tipo de projeto, desde que tenha um início,

meio e fim. Além de apresentar todo conteúdo sobre o MS Project, o livro destina um capítulo sobre gerenciamento de projetos, com intuito de dar ao leitor o conhecimento necessário para que um projeto seja iniciado, planejado, executado, controlado e encerrado dentro das melhores práticas. Desde modo, convido a todos para adentrarem às próximas páginas e dominarem esta ferramenta que é uma das mais utilizadas no universo de gerenciamento de projetos.
