Following from *The Secret Diaries of Anne Lister* (published by Virago) this volume continues her story. Anne Lister arrives in post-revolutionary Paris in 1824, attempting to recover from a doomed love affair with a married woman. There she becomes emotionally entangled with a young widow. Anne's efforts, firstly to extricate herself from this new 'scrape' and then to make a choice between the two women in her life, provides an absorbing sexual and social drama.

We follow Anne Lister to Buxton, Derbyshire, where a husband appears in hot pursuit of his straying wife who has, in turn, followed Anne there; in Halifax, the Yorkshire town of Anne's birth; to London; and, lastly, to post-revolutionary Paris, a city alive with political intrigue. Anne's descriptive powers bring each scene vividly to life, providing a brilliant, kaleidoscopic background to her story.
