As an information security professional, it is essential to stay current on the latest advances in technology and the effluence of security threats. Candidates for the CISSP® certification need to demonstrate a thorough understanding of the eight domains of the CISSP Common Body of Knowledge (CBK®), along with the ability to apply this in depth knowledge to daily practices.

Recognized as one of the best tools available for security professionals, specifically for the candidate who is striving to become a CISSP, the Official (ISC)2® Guide to the CISSP® CBK®, Fourth Edition is both up-to-date and relevant. Reflecting the significant changes in the CISSP CBK, this book provides a comprehensive guide to the eight domains.

Numerous illustrated examples and practical exercises are included in this book to demonstrate concepts and real-life scenarios. Endorsed by (ISC)2 and compiled and reviewed by CISSPs and industry luminaries around the world, this textbook provides unrivaled preparation for the certification exam and is a reference that will serve you well into your career. Earning your CISSP is a respected achievement that validates your knowledge, skills, and experience in building and managing the security posture of your organization and provides you with membership to an elite network of professionals worldwide.
