

Download On Liberty and the Subjection of Women free John Stuart Mill (PDF, ePub, Mobi)

A prodigiously brilliant thinker who sharply challenged the beliefs of his age, the political and social radical John Stuart Mill was the most influential English-speaking philosopher of the nineteenth century. Regarded as one of the sacred texts of liberalism, his great work *On Liberty* argues lucidly that any democracy risks becoming a 'tyranny of opinion' in which minority views are suppressed if they do not conform with those of the majority. Written in the same period as *On Liberty*, shortly after the death of Mill's beloved wife and fellow-thinker Harriet, *The Subjection of Women* stresses the importance of equality for the sexes. Together, the works provide a fascinating testimony to the hopes and anxieties of mid-Victorian England, and offer a compelling consideration of what it truly means to be free.
