

# Download Org Design for Design Orgs free Peter Merholz & Kristin Skinner (PDF, ePub, Mobi)

Design has become the key link between users and today's complex and rapidly evolving digital experiences, and designers are starting to be included in strategic conversations about the products and services that enterprises ultimately deliver. This has led to companies building in-house digital/experience design teams at unprecedented rates, but many of them don't understand how to get the most out of their investment. This practical guide provides guidelines for creating and leading design teams within your organization, and explores ways to use design as part of broader strategic planning.

You'll discover:

Why design's role has evolved in the digital age  
How to infuse design into every product and service experience  
The 12 qualities of effective design organizations  
How to structure your design team through a Centralized Partnership  
Design team roles and evolution  
The process of recruiting and hiring designers  
How to manage your design team and promote

professional growth
