Photography isn't hard as long as you have a solid understanding of the basics. Learn how the camera's built-in light meter can guide you to a perfect exposure. Then how shutter speed and f/stop can give the image impact and style. Round out the lesson with an explanation of histogram and highlight indicator. Tools that confirm a well exposed image. Designed for users of any digital single lens reflex dSLR camera. Easy to follow text plus hands-on exercises that reinforce the reading.
