Ex-playboy, Jasper, has hung up his little black book and is strictly a one-woman man.

Jasper is shocked when his new wife, Abby, no longer wants the family they've planned. She begins to work late and withdraw from their marriage, leaving Jasper questioning his decision to give her a second chance.

Holly starts working for Jasper, and as the two grow closer, he takes action, sparking a chain of events that makes his once well planned out life spiral out of control.

To get what he wants, he first has to lose everything.
