

Download Pro Tools In One Hour (coffee break included) free Simone Corelli (PDF, ePub, Mobi)

[iPad users, please consider the iPad version!]

Russ Hughes (Pro-Tools-Expert): "We took a look at it and were impressed by the care and attention to detail."

Mike Thornton, Sound on Sound Pro Tools columnist and deputy editor of Pro Tools Expert: "I did appreciate the book, even as a long standing Pro Tools user I found a number of useful features, not least of which the comparison between all the different types of Pro Tools."

The famous sound engineer Bob Katz presented the original version with an enthusiastic: "Simone is the best person I could think of to take you there".

"The book is comprehensive, but compact and simple to understand, and even as someone who knows Pro Tools well, I can see me having it to hand when I want to look something up, rather than going into the PT Reference Guide.", Sound On Sound, April 2013.

This clear and concise guide takes the reader by the hand through the first steps in the use of Pro Tools, the audio system born over ten years ago and adopted by some of the best professionals worldwide.

The title (stopwatch in hand) is accurate for those who can't wait to get stuck into their new software. However, this guidebook is crammed full of so many theoretical and practical tips, tricks, and points to explore at leisure that you are sure to enjoy many hours (and cups of coffee) poring over these pages.

This is an essential reference tool for anyone taking Pro Tools for a quick test drive and will be cherished by everyone who is on the road to becoming a better sound engineer.

Simone Corelli is a film rerecording sound mixer with a degree in Computer Science. He teaches audio in Masters programmes at various universities, as well as in seminars at private institutions in Italy and Switzerland. In 2006, together with Fabio Felici and Gilberto Martinelli, he published the book Elementi di Cinematografia Sonora, with a foreword by Giuseppe Tornatore and an introduction by Professor Federico Savina.

He is member of the Italian Audio Engineering Society's Advisory Board, and of the Associazione Italiana Fonici di Mix (AIFM), and he is a co-founder of the "Gruppo Tematico per la Cinematografia Sonora".
