A broken promise reveals a terrifying legacy in this electrifying *New York Times* bestseller from the author of *Untouchable*.

Seattle gallery owner Virginia Troy has spent years battling the demons that stem from her childhood time in a cult and the night a fire burned through the compound killing her mother. And now one of her artists has taken her own life, but not before sending Virginia a last picture...a painting that makes Virginia doubt everything about the so-called suicide—and her own past...

Like Virginia, PI Cabot Sutter was one of the children in the cult who survived that fire—and only he can help her now. As they struggle to unravel the clues in the picture, it becomes clear that someone thinks Virginia knows more than she does and that she must be stopped. Thrown into an inferno of desire and deception, Virginia and Cabot draw ever closer to the mystery of their shared memories—and the shocking fate of the one man who still wields the power to destroy

everything they hold dear.
