This book was previously published in the Kindle Worlds program. The cover has changed, but the book itself has not changed in any significant way.

Julie Lytle is working hard to turn her life around. Being kidnapped by sex traffickers changed her drastically, but having grown up the spoiled daughter of a senator, Julie wishes she could've changed just a little sooner. Shamed by her behavior toward the woman rescued alongside her, and further embarrassed and guilt-racked over the way she treated the SEALs who risked their lives on her behalf, Julie is desperate to make amends.

With help from a D.C. acquaintance who'd endured her own harrowing experience, Julie connects with Patrick Hurt, Commander of the SEALs who'd saved her life. If she can prove she's not the same person who mistreated his team, he'll grant her request to meet them—but not before the protective, sexy man makes a surprising request of his own.

**Protecting Julie is a part of the SEAL of Protection Series. It's book 6.5 in the series. It can be read as a stand-alone, but it's recommended you read the books in order to get maximum enjoyment out of the series.
