Written by a former 75th Ranger Regiment soldier, "Marty" will take you inside the Ranger Assessment and Selection Program and the Special Forces Assessment and Selection Program to teach prospective Special Operations soldiers the ins and outs of each unit's selection program. As someone who also runs a train-up program for soldiers going into the military on Ranger and Special Forces contracts, Marty is uniquely suited to write a program of instruction which walks would-be Special Operations troops through the course and tells them how to get from A to B and achieve their goals in the Special Operations community.

Filled with entertaining anecdotes and an insider's knowledge, this is a must-read for prospective rangers and armchair military enthusiasts everywhere.
