Roseline Enescue has always been a warrior, the fiercest among her kind, but when she is stripped of her strength and left teetering on the edge of insanity, she is forced to rely on the one person she trusts the least.

As Fane and Nicolae fight to save Sadie’s life, they find themselves pulled into a tremulous truce between hunter and immortal when a string of gruesome murders break out.

The lines have been drawn and the battle preparations have begun, but only Gabriel can save them all...if he can survive the final two tasks.

The first battle may be over, but the war has only just begun.
