Revelation and the Old Testament is the first semester course in the new high school series Live Jesus in Our Hearts. This series takes a fresh approach to the Framework outline, bringing in new themes such as in-depth use of scripture, extensive online resources, and an invitational, evangelizing approach.

Revelation and the Old Testament is an Old Testament overview (with a sneak peak of the New Testament) that includes all the required Framework content related to Revelation. Used with Jesus Christ and the New Testament, you can now teach an overview of the Bible in freshman year using a Framework approved curriculum!

Plus, help students connect using:

- Short stories about young people that relate a teaching or belief to a young person's lived experience.
- Focus questions introduce each unit in the voice of a teen, guiding students in focusing on what they might learn; units end with an image of a real student and his or her reflections on the unit focus question, inviting the students to check their own understanding.
- A Unit Highlights section that uses graphic organizers to visually represent the key concepts from each chapter
- "Hmmm" questions at the end of each article that encourage students to think critically about Christian beliefs.
- A full page visual feature at the end of each chapter that engages students to reflect on the chapter content in a unique way.
