Jackson is back.

He'd left Meg years before, and though she stayed working for his father at Sea Glass Inn, she'd never forgotten how angry she was with Jackson for leaving.

But now that his father is gone, Jackson has quite suddenly become Meg's boss. And worse, his business partner accuses her of mismanagement.

Meg had made a promise to Jackson's father to stay working for the hotel chain, but how can she now? Maybe it would be better for her to run, to find solace somewhere far away like ... Italy.

But what happens when she unearths troubling questions? Will newfound answers give Meg and Jackson a second chance at love?

... Or push them even farther apart?

Runaway Tide is an inspirational, sweet romance.
