Tank has spent his life protecting people. He works for one of the most successful security companies in the world, makes more money than most people see in a lifetime, and has a past that no one can ever know about.

Hayley Elliott will do anything to keep her mom safe. Her sister has found a cure for Alzheimer's and their mom is living proof that the supplement works. Hiding from the people looking for the supplement's formula is impossible. When the threat to their lives becomes deadly, she has no option but to trust a man who's living with a secret more dangerous than her own.
