The Maine

A little persuasion goes a long way...

Rae Kerrigan thought that her father's trial was going to be the single most defining moment of her life. Little did she know, the trial was only the beginning.

The tatu world erupts in chaos as a surprising new villain begins to emerge. One with the power to take down even the great Rae Kerrigan with nothing more than a few simple words.

Still reeling from the attack and the heroic part Simon had to play, Rae finds herself facing a kind of enemy she's never encountered before. One that destroys from the inside-out.

Can Rae and her friends find a solution in time? What part will Simon have to play?

Is there any bond strong enough that it can't be broken?
