From #1 New York Times bestselling author Nora Roberts comes a classic story about love and adventure in the wilderness...

For celebrity magazine reporter Lee Radcliffe getting an interview with the reclusive horror writer Hunter Brown has become a personal quest. Digging into private lives is her business, but now Hunter has turned the tables. He will only give the interview if Lee agrees to go on a camping trip. Lee knows that it will take more than just good interviewing skills to get her an exclusive one-on-one. But after spending some time alone with the seductively mysterious author, Lee discovers the only thing she wants exclusively is Hunter.
