They might call me Sir Loin of Beef, but when I see Kaitlyn for the first time, stick a fork in me, I'm done.

But I won't claim her alone. Jed Cassidy and I share everything, and that includes her. If the sweet little librarian isn't ready to be wrangled by two rodeo champs, we'll just have to break her in nice and slow. She's ours. We will win her over—body and soul—and when we do? Well, let's just say we'll give her a hard ride...and it'll last a hell of a lot longer than eight seconds.

Kaitlyn Leary takes one look at the sexy cowboys and can't remember the last time she was so eager for a double helping of... big beef. But giving in to desire might ruin everything. Because the truth is that this small town librarian isn't all she seems. Landon Duke and Jed might be talking about a future of picket fences and making babies, but the past could destroy it all. Still...two cowboys?

Who could resist?

Remember: With a Vanessa Vale book, one cowboy is never enough. In this smokin' hot new series, each heroine gets an extra helping (or two) of Grade-A Beefcake.
