Meinzer believes that we each have a unique voice that deserves to be heard. But many of us may need some help transforming our ideas into reality. *So You Want to Start a Podcast* asks the tough but important questions to help budding podcasters define and achieve their goals, including:

Why do you want to start a podcast?

Think about specifically why you want to start a podcast versus a blog, zine, YouTube channel, Instagram feed, or other media outlet. Find out if a podcast is really the best way to tell your story—and what you really need (and don’t need!) in order to get started.

What is your show about?

For any advertiser, corporate partner, or press outlet, you need a snappy pitch. How would you describe what you want to do in two to three sentences?

Who is your podcast for?

Who are you trying to reach? How will your content and tone appeal to those listeners?

How is your show going to be structured?

Create a step-by-step map planning the show out. Think about length, segments, interviews, advice, news reads, and other aspects of successful podcasts you can adapt for your own.

With this motivational how-to guide—the only one on the subject available—you’ll find the smart, bottom-line advice and inspiration you need to produce an entertaining and informative podcast and promote it to an audience that will love it. *So You Want to Start a Podcast* gives you the tools you need to start a podcast—and the insight to keep it thriving!
