One of Bobby Kennedy's first acts after JFK's assassination was to write a letter to his eldest son, reminding him of the obligations of his name. Bobby sent the letter to eleven-year-old Joe, but the message was meant for all his sons and nephews.

Sons of Camelot is the compelling story of that message and how it shaped each Kennedy son and grandson in the aftermath of President John F. Kennedy's death. Based on five years of rigorous research and unprecedented cooperation from both the Kennedys and the Shrivvers, Sons of Camelot examines the lives characterized by overwhelming drama -- from the most spectacular mishaps, excesses, and tragediesto the remarkable accomplishments that have led to better lives for Americans and others around the world.

The third volume in Laurence Leamer's bestselling history of America's first family, Sons of Camelot chronicles the spellbinding journey of a message sent from a father to his

son ... from a president to his people.
