

Download Straight Up Love free Lexi Ryan (PDF, ePub, Mobi)

From *New York Times* bestselling author Lexi Ryan comes a sexy new standalone romance about a woman who'd do anything to have a baby and the man who'd do anything to have her...

For my 30th birthday, I'm giving myself the one thing I want most: a baby. Sure, this would be easier if I had a husband—or even a boyfriend—but I refuse to be thwarted by minor details.

When I drunkenly confess my plans to my friends, they convince me to ask Jake Jackson for help. Jake, the best friend who's been there for me through thick and thin. Jake, who also happens to be smart, funny, ridiculously good looking, and the winner of all the genetic lotteries.

So when Jake takes me up on my request—with the stipulation that we get the job done the old-fashioned way—I'd be a fool to decline.

The only problem? I don't know if I can separate sex from all the things I feel for this amazing man. If I can't keep my heart under lock and key, I risk losing the relationship I need the most.

Jake has his own reasons for granting my baby wish. But when I discover his secrets, it could mean the end of us. I have to choose—run or stay and fight for love.

Fall for the boys of Jackson Harbor in Lexi Ryan's sexy new contemporary romance series. These books can all be read as standalones, but you'll enjoy reading them as a series!
