FIRE AND SWORD

Three men condemned to die: Aldous Weaver is a heretic monk turned sorcerer, imprisoned for accidentally incinerating the leader of his order. Kendrick the Cold, an infamous crusader turned fugitive, is a villain who knows he can never be a hero. Theron Ward, an aristocrat with a penchant for slaughtering monsters, is a legend in his own mind.

When the kingdom of Brynth is threatened by a far greater evil, the unlikely trio must make a choice — seek to escape this land that cries for their execution or find the true heroes within themselves. And then, armed with fire and sword, march together against the forces of darkness. But will they be enough?

CATACOMBS OF TIME

In a world where the Rata Plaga and ghouls feast on the dead, doctor Gaige De'Brouillard believes science, not magic, conquers all.

Even death is just an equation to be solved.

When De'Brouillard is called upon by the Lord Regent to cure a curse and save one of the damned, he must battle for his career, his faith in science, and even his life. In the darkest slums and deepest catacombs, the doctor finds himself staring death in the eye with no scientific solution at hand. Has the doctor finally come across a question that science cannot answer, and will he pay with his life?

THE PYRES

Theron Ward, Aldous Weaver and Kendrick the Cold must band together and fight again. This time, they are caught in the timeless clash of gods and demons, and led by the dark prophecy of dreams.

A ruthless warlord, the Dog Eater, rises out of the rivers of blood from civil war. As friend and foe reach out from futures past, the three will see a city of white stone turn black with ash ... and the only way forward is through the fire. One thing is certain, none of them will ever be the same. And one will be transformed in ways he never dreamed. Dare the three depend on the blood ties of the past to carry them through this terrible night?
