His offer: 365 days and nights = \$1 million

My addendum: I'm not doing that

His promise: Before the year is up, you'll beg for it

My days of lying and stealing are over, but then Nicholas Crawford makes me an offer I can't refuse. Spend a year pretending to be his significant other in exchange for \$1 million dollars.

I tried to put that part of my life, and those hard-won skills, behind me. But I need the money. He needs a partner.

I told him that I'd never sleep with him. He promised me that I would end up begging for it.

Now, I want him more than ever.

Especially when I run my fingers over his chiseled body and he **teases me** with his tongue.

Especially when he puts his hands on the small of my back and **kisses me**.

I want him so much I am going to scream. I want him so much...I might even beg.
