

# Download The 4-Hour Workweek, Expanded and Updated free Timothy Ferriss (PDF, ePub, Mobi)

**The New York Times** bestselling author of *The 4-Hour Body* shows readers how to live more and work less, now with more than 100 pages of new, cutting-edge content.

Forget the old concept of retirement and the rest of the deferred-life plan—there is no need to wait and every reason not to, especially in unpredictable economic times. Whether your dream is escaping the rat race, experiencing high-end world travel, or earning a monthly five-figure income with zero management, *The 4-Hour Workweek* is the blueprint.

This step-by-step guide to luxury lifestyle design teaches:

- How Tim went from \$40,000 per year and 80 hours per week to \$40,000 per month and 4 hours per week
  - How to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want
  - How blue-chip escape artists travel the world without quitting their jobs
  - How to eliminate 50% of your work in 48 hours using the principles of a forgotten Italian economist
- How to trade a long-haul career for short work bursts and frequent “mini-retirements”

The new expanded edition of Tim Ferriss’ *The 4-Hour Workweek* includes:

- More than 50 practical tips and case studies from readers (including families) who have doubled income, overcome common sticking points, and reinvented themselves using the original book as a starting point
- Real-world templates you can copy for eliminating e-mail, negotiating with bosses and clients, or getting a private chef for less than \$8 a meal
- How Lifestyle Design principles can be suited to unpredictable economic times
- The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either

*From the Hardcover edition.*
