OWN YOUR MORNING  
ELEVATE YOUR LIFE

"Robin Sharma's books are helping people all over the world  
lead great lives." —PAULO COELHO

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity.

Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness.

Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through:

How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievementsA little-known formula you can use instantly to

wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each dayA step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growthA neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed“Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world

Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.
