The Bible: The Living Word of God, Interactive Edition provides an introduction to the Sacred Scriptures and to the unfolding of salvation history, with a particular focus on Jesus Christ as the fulfillment of salvation history. Revelation, both divine and natural, is explored, as are inspiration, interpretation, and exegesis. The students also learn about the role of the Scriptures in the life of faith for the individual as well as for the life of the Church. The interactive book includes all-of-the content original to the print version with the addition of an interactive functionality that will speak to the student in ways previously unavailable to print-only users. Students will have the ability, through the hyperlinks and interactive content in the book, to engage with the Catholic faith and the person of Jesus Christ. Additional interactive features! Each section now includes embedded teacher videos. These videos provide a basic overview of the content and also a personal story that connects to the key
