Discover the Joy of Giving--and the Rewards of Receiving

Our culture is saturated with false teaching on what it means to be blessed, but what does the Bible say about it? How can we truly live blessed lives? With humor, passion, and clarity, pastor and bestselling author Robert Morris presents the secrets of living a blessed life both financially and spiritually. He shows that when God changes your heart from selfishness to generosity, every part of your life-journey is affected.

"There is no greater adventure on Earth than simply living the life of generosity and abundance that is available to all of God's people--but so few ever dare to live," says Pastor Robert. "It is a journey of reward. It is *the blessed life*."

First published in 2002, this newly revised and expanded edition includes new content from recent sermons, updated illustrations from years of the life-changing impact of its message, and testimonies from people experiencing the

blessed life.
