NEW YORK TIMES BESTSELLER! OVER 5 MILLION COPIES SOLD!

Is there credible evidence that Jesus of Nazareth really is the Son of God? Former atheist and Chicago Tribune journalist Lee Strobel says yes! In this revised and updated bestseller, *The Case for Christ*, Strobel cross-examines a dozen experts with doctorates from schools such as Cambridge, Princeton, and Brandeis, asking hard-hitting questions - and building a captivating case for Christ's divinity.

Strobel challenges them with questions like, How reliable is the New Testament? Does evidence for Jesus exist outside the Bible? Is there any reason to believe the resurrection was an actual event?

Winner of the Gold Medallion Book Award and twice nominated for the Christian Book of the Year Award, Strobel's tough, point-blank questions read like a captivating, fast-paced novel. But it's not fiction. It's a riveting quest for the truth about history's most compelling figure.

The new edition includes scores of revisions and additions, including updated material on archaeological and manuscript discoveries, fresh recommendations for further study, and an interview with the author that tells dramatic stories about the book's impact, provides behind-the-scenes information, and responds to critiques of the book by skeptics.

As *The Case for Christ* and its ancillary resources approach 10 million copies in print, this updated edition will prove even more valuable to your spiritual journey.
