

# Download The Dark Story of Eminem free Nick Hasted (PDF, ePub, Mobi)

**The Dark Story of Eminem** is the best-selling, ground-breaking biography of Marshall Mathers, tracing his fierce rise from the schools and factories of Detroit to global superstardom - Now *updated* to investigate the violent death of his best friend Proof, his debilitating drug addiction, four-year disappearance from the public view and his triumphant comeback album *Recovery*.

In researching this phenomenal story, Nick Hasted spent much time in Detroit, tracking down friends and foes of Marshall Mathers. In racially-divided Detroit the future rapper experienced first-hand the social conflicts that would fuel his later radicalism. From the depths of being a suicidal no-hoper, he triumphed against his class and triumphed against prejudice; despite being continually reviled, sued and criticised, Marshall Mathers forged his way to becoming a defining cultural force of the early millennium.

This unflinching portrait also lays bare Eminem's relationships with his much-hated mother, his teenage soul-mate Kim Scott, his mentors *Dr. Dre* and *The Bass Brothers*, and his own protégé *50 Cent*. Never before has a book delved so deep and poignantly into this troubled figure.

*"A serious and even handed account."* - Q magazine

*"This is the best of a sudden flurry of biographies charting the rise of this brilliant, troubled Detroit rapper."* - Daily Telegraph
