After being turned down for his dream job, Evan needs to reassess his future as he returns home for his brother's wedding. Taking a chance, he asks Dr. Denver Sinclair to accompany him as his date. He never expects her to say yes, so he is surprised when she agrees. After all, he's been trying to get her to go out with him for the last two years with no luck.

But brilliant ambitious Denver has an agenda. Her main goal in life is to prove her father wrong—she is perfectly capable of running a hospital without his connections or assistance. But to take up the reins as the administrator of Marietta Hospital, she must have community roots or marry a local. When Evan lets slip he's from Marietta, her goal is within reach. Seducing Evan is easy. She just didn't anticipate marriage to the small town doctor would ever involve her heart.

Will Denver and Evan find love in the most unexpected place—with each other?
