The Empire Chronicles Books 1-3: The first three novels in the NA Paranormal Romance series The Empire Chronicles.

Soar

In the city that never sleeps the Chronicles continue...

Serving coffee is temporary, just like Casey's year off from school. She's going to come up with a plan to stay in New York City and go back to college, and that plan does not involve dating a paranormal creature—let alone two.

Running the supernatural society of New York is not as fun as it sounds, especially when you still have to answer to your ex-girlfriend's fiancé. Toby doesn't mean to bring Casey into the chaos of his life, but he can't resist the girl who makes him smile when he thought no one else ever could.

Jared's in New York checking out a security risk for his best friend, the king. He plans to return to New Orleans quickly, but not if it means losing his chance with the brunette who pretends she wants nothing to do with him.

In over her head with a bunch of winged creatures who most definitely are not angels, Casey has to figure out who to trust with her life and maybe her heart.

Search

Casey isn't human. The revelation should terrify her, but it doesn't. Instead it excites her. Too bad not everyone is as excited as she is.

Torn between two lives, the only one she's ever known and her life as a paranormal princess, Casey has to decide whether she can trust the man she loves.

Sometimes being a princess isn't all it's cracked up to be.

Stay

Nothing could possibly get worse. Everything and everyone that could be in jeopardy already is, and Jared knows that he is The Society's only hope. If he doesn't find a way to escape he fails everyone including Vera, the bear shifter he can't seem to get out of his head.

Casey and Toby are in love. Head over heels in love, but is their love strong enough to survive a magic so powerful that Casey's mind is no longer in her control?

Vera will do anything to help her sister, and unfortunately that means she is well acquainted with Jared, the most frustrating man she has ever met. Now she has to find a way to fight her annoyance and growing attraction long enough to help save Levi and Allie.

Racing against the clock, all four must face their greatest fears to save The Society and all the

people they love.
