'Absolutely gripping... blew me away...Words can't describe how good this book is.'
Heidi Lynn's Book Reviews

THE USA TODAY TOP 100 BESTSELLER YOU WON'T WANT TO MISS!

The high chair lay on its side, a toy elephant and a crumpled green blanket scattered across the floor beside it.

"She had a baby? Is it—?"

"The baby's gone."

When **Detective Josie Quinn** is called to a large house on the outskirts of the small town of Denton, she's horrified by the viciousness of the attack - smashed glass, splintered furniture and blood spattered across the floor. The owner, a single mother, is fighting for her life, and her newborn baby is missing.

A beautiful young woman caught fleeing the scene is **Detective Josie Quinn's** only lead, but when questioned it seems this mysterious girl doesn't know who she is, where she's from or why she's so terrified...

Is she a witness, a suspect, or the next victim?

As Josie digs deeper, a letter found hidden in the house convinces her the attack, the missing child, and the nameless woman are linked to a spate of killings across the county, and **Josie is faced with a heart-breaking decision...**

Should she risk the life of one child to save many others? Or can she find another way to stop this killer before any more innocent lives are taken?

Nail-biting, twisty and impossible to put down. If you love gripping thrillers from Angela Marsons, Robert Dugoni and Rachel Caine, you'll be absolutely hooked!
