In a world that is veering dangerously off course from what it calls "truth" comes a classic work that unmaskes the lies we unwittingly believe, lies that destroy us and ultimately damage our emotional health, relationships, and spiritual life.

In this completely revised and updated edition, psychologist Dr. Chris Thurman guides the reader through the lies we believe about ourselves, relationships, life, men, women, and, most important, God. He then unpacks the twelve essential truths for emotional health and the truth about God—the ultimate source of Truth.

This easy-to-follow guide to renewing the mind helps identify problem areas and the midcourse correction needed in how we view ourselves and our world. With discussion questions and biblical support, this timeless classic is required reading to help develop the mind of Christ and be able to experience the abundant life.
