The Minimalist Vegan by Maša and Michael Ofei is less of a how-to book, and more of a why-to book. A manifesto on why to live with less stuff and with more compassion.

They explore the intersection of minimalism and veganism and all that each complimentary lifestyle has to offer. They dive deep into conscious living and what it actually means.

With chapters on topics such as "The More Virus" and Courageously Simple to The Superior Species and A Plastic World, Masa and Michael cover every aspect to help challenge your way of thinking.

Their hope is that by the end of it, you'll have the thirst and passion to architect your life in a way that brings you purpose and joy each and every day.

They have written this book to be read within a few hours. Yes, even if you'd consider yourself to be a slow reader! Each chapter can be read independently, so you can jump ahead to a section that resonates with you. However, reading the book

from start to finish is a great way to build momentum as you manifest your ideas and dive into a more conscious way of living.
