

Download The Mis-Education of the Negro free Carter Godwin Woodson (PDF, ePub, Mobi)

"The Negro, whether in Africa or America, must be directed toward a serious examination of the fundamentals of education, religion, literature, and philosophy as they have been expounded to him. He must be sufficiently enlightened to determine for himself whether these forces have come into his life to bless him or bless his oppressor. After learning the facts in the case the Negro must develop the power of execution to deal with these matters as do people of vision."
Carter G. Woodson
