

Download The Princess Diarist free Carrie Fisher (PDF, ePub, Mobi)

The last book from beloved Hollywood icon Carrie Fisher, *The Princess Diarist* is an intimate, hilarious, and revealing recollection of what happened behind the scenes on one of the most famous film sets of all time, the first *Star Wars* movie.

When Carrie Fisher discovered the journals she kept during the filming of the first *Star Wars* movie, she was astonished to see what they had preserved—plaintive love poems, unbridled musings with youthful naiveté, and a vulnerability that she barely recognized. Before her passing, her fame as an author, actress, and pop-culture icon was indisputable, but in 1977, Carrie Fisher was just a teenager with an all-consuming crush on her costar, Harrison Ford.

With these excerpts from her handwritten notebooks, *The Princess Diarist* is Fisher's intimate and revealing recollection of what happened on one of the most famous film sets of all time—and what developed behind the scenes. Fisher also ponders the joys and insanity of celebrity, and the absurdity of

a life spawned by Hollywood royalty, only to be surpassed by her own outer-space royalty. Laugh-out-loud hilarious and endlessly quotable, *The Princess Diarist* brims with the candor and introspection of a diary while offering shrewd insight into one of Hollywood's most beloved stars.
