This "witty" mystery set in ancient Greece is "sure to amuse Lindsey Davis and Elizabeth Peters fans" (*Booklist*, starred review).

In this historical murder mystery that "blends humor with fascinating details about the ancient world," Nicolaos, the only private investigator in Athens, discovers that helping a writer with his book research can be very dangerous (*Library Journal*). Would-be author Herodotus has hired Nico and his priestess wife, Diotima, to accompany him to Egypt to research that ancient country's history. Unfortunately, Egypt happens to be in the throes of a rebellion against its overlords, the Persian Empire.

Pirates infest the sea route. Three different armies roam the Egyptian countryside. The river is full of crocodiles. Everywhere Nico turns, there's a secret agent ready to kill him, and possibly worse, he can't find a decent cup of wine anywhere. A simple investigation is about to turn into a dangerous adventure of international espionage, in a novel

that is "recommended for lovers of historical mystery and all things ancient Greek (and Egyptian and Persian and Libyan)" (Historical Novel Society).
