Of the five fundamental books that comprise the Spiritist Codification, The Spirits' Book was the first one that compiled all the teachings of high order spirits (the Spirits) through mediums all over the world.

It is the landmark of a doctrine that has had a great impact on the thought and life view of a considerable portion of humankind since 1857, when the first French edition was released.

It is divided into four parts and has 1,019 questions asked by Allan Kardec, the Codifier of Spiritism. It rationally and logically presents the teachings of Spiritism in their scientific, philosophical and religious aspects.

No matter what the religious convictions or beliefs of the reader are, reading The Spirits' Book will be of immense value for everyone, for it addresses the issues of God, the immortality of the soul, the nature of spirits and their relations with human beings, moral laws, our present and future lives and the future of humankind - subjects of general interest and great practicality.
