One summer in Greece will change everything...

Anna's running away. From a failed relationship, a dead-end career and a complicated family life.

On the island of Santorini, with its picturesque villas, blue-tiled roofs, and the turquoise waters of the Aegean lapping at the white sand beaches, Anna inherits a less-than-picturesque summer house from her estranged father. As she rebuilds the house, she rebuilds her life, uncovering family secrets along the way that change everything. She starts to fall for her little slice of paradise, as well as for gorgeous, charming Nikos.

Will Anna lose her heart in more ways than one?
