It's time to take back what the devil has stolen and put God back into our culture.

Phil Robertson, patriarch of A&E's Duck Dynasty and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies—such as that God is dead, truth is relative, and unity is impossible—that have brought discord, division and protest. But Phil also believes that things can change.

Writing with captivating storytelling and unflinching honesty, Phil shows how to make America a God-honoring nation once more: by dropping the ten central lies that rule our day and taking up the ten truths that will bring peace of mind, harmony, and prosperity back to our country.

The Theft of America's Soul is a prophetic wake-up call for all who desire to see our nation thrive. And it is also an invitation to experience the life-giving, peace-filling, wholly-transforming love of God.
