The Ultimate Preppers' Guide is packed with practical approaches, step-by-step instructions, and how-to explanations for disaster and emergency preparation. Knowledge maps, flow charts, and templates provide important information at a glance and walk you through your decisions on personalizing and customizing disaster preparation for you, the family, and your business.

The Ultimate Preppers' Guide is logically organized, easy to reference, and simple to understand. It provides diverse coverage of disaster prep topics, including a comprehensive look at disaster first aid and medical problems where there are no responders or hospitals immediately available. This book brings you up to date on emerging prep trends and technologies and examines what works and what doesn't. It explains how to prep with the budget you have and with many of the materials you already have at hand. It includes chapters on basic preparedness, communications, resource

conservation, power and energy, emergency heating and cooling, water, food and nutrition, shelter, evacuation, public health, special needs, and specific hazards. This book will not just get you ready beforehand. When a disaster has happened, it will provide ideas for surviving, coping, and recovering.
