

# Download The Unexpected Houseplant free Tovah Martin (PDF, ePub, Mobi)

**It's time for plant lovers to dust off their houseplants, update their image, and discover just how exciting, trendy, and crucial plants can be in the home.**

*The Unexpected Houseplant*, by renowned plant authority Tovah Martin, isn't your typical, old-fashioned, dowdy houseplant book. Martin's approach is revolutionary—picture brilliant spring bulbs by the bed, lush perennials brought in from the garden, quirky succulents in the kitchen, even flowering vines and small trees growing beside an easy chair. Martin brings an evangelist's zeal to the task of convincing homeowners that indoor plants aren't just a luxury—they're a necessity. In addition to design flair, houseplants clean indoor air, which can be up to ten times more polluted. Along with loads of visual inspiration, readers will learn how to make unusual selections, where to best position plants in the home,

and valuable tips on watering, feeding, grooming, pruning, and troubleshooting, season by season.
