Can the Supernatural Become Natural?

Bill Johnson, respected pastor, bestselling author and senior leader of Bethel Church, lives in a culture of the miraculous. In his groundbreaking new book, *The Way of Life*, he shares not as a theological spectator, but as an active participant in a historic move of God that has been sweeping the nations.

From over 40 years of personal experience with the Holy Spirit, Bill mentors you on how to:

Create a supernatural “greenhouse effect” that impacts the world around us through practicing Kingdom values. **Sustain a flow of God’s supernatural power** in your life, your family and your church community. **Develop a culture that values wholeness—body, soul and spirit**—where the Kingdom has tangible impact on every area of our lives. **Build supernatural relationships** through honor and seeing the significance of every person. **Walk in the completed work of the Cross** because you are grounded in an “It is Finished” theology. **Partner with the Presence of the Holy Spirit** to transform the everyday places where God leads you. **Run towards impossible situations** and release the supernatural solutions of Jesus.
